

Chateau Barkingham Boarding Medical Release Form

The safety and well-being of your dog is our Number One priority. It is a responsibility we take very seriously. We do our best to have our dog parents screen for pre-existing health conditions but some factors may be beyond our control.

In the event your dog becomes ill or injured while in our care, our staff will initiate appropriate action until you or your agent (Emergency Contact) can be reached. If you or your Emergency Contact cannot be reached within an hour, You give permissions to Chateau Barkingham to make the decision whether the dog needs to be seen immediately or wait till the owner comes home. This should be discussed when dropping off your dog. This could be common problems for some dog's that have many Ear Infections, Skin Hot Spots, or any non-life threatening health problems that may be a consistent problem that arises with your dog.

In a situation that the Owner or Emergency Contact cannot be reached and there is a life threatening illness (this would include illnesses such as ongoing Renal Failures, Cancer, etc.), You (the owner) give permission to Chateau Barkingham to have the dog Euthanized humanly.

The Owner will pay for any vet care and travel endured by Chateau Barkingham.
